

Partial Differential Equations (CES+SISC) | WS 2025/2026 Exam on 12.03.2026 | Exam information

Exam: 12.03.2026, 14:30 – 17:00 in Room Aula (1010|131).

Exam duration: 150 Minutes.

Allowed supporting materials during the exam:

- Only a permanent pen with blue or black ink is allowed. Particularly you are **not** allowed to use red ink or a pencil.
- It is allowed to bring two hand-written A4 papers in the original using both sides with name and matriculation number written on them. Printed out papers of any kind are prohibited.
- Other resources are not allowed, e.g., books, calculator, mobile phones, laptops, smartwatches.

ID control: Please bring your Student ID. It will be checked before or during the exam.

Admittance to exam room: You may enter the examination room 20 minutes before the exam starts. On your table you will find a closed exam which you are only permitted to open after an announcement by the exam assistants. Violation to this compliance will be treated as a cheating attempt.

Exam review and Oral repeat-exam:

- The exam review takes place on 23.03.2026 from 10:00 – 12:00 in klPhys (1090|334). Further information regarding the exam review will be announced on the institute homepage as well as on RWTH-Moodle, accordingly.
- An appeal towards the exam evaluation is only possible in writing form during the exam review.
- A registration for an oral repeat-exam can also only take place during the exam review.

Good luck!
